Dear Doctor:

Congratulations on your decision to join the International Dental Studies (IDS) Class of 2017 at the University of the Pacific, Arthur A. Dugoni School of Dentistry. In preparation for Matriculation Day on Friday, July 10, 2015, this letter will summarize the financial requirements of your program.

TUITION
Tuition for the 2015-2016 academic year is projected to be $25,262.50 per quarter pending the approval of the Board of Regents in May. First-quarter tuition will be due no later than Matriculation Day, Friday, July 10th. Thereafter, you should be prepared to pay tuition no later than the first day of each quarter (October 5th, January 4th and March 28th).

ENROLLMENT DEPOSIT DUE MONDAY, APRIL 20, 2015
To confirm your position in the IDS Class of 2017, you must remit an additional deposit of $3,500 on or before Monday, April 20, 2015. Both enrollment deposits of $3,500 and the non-refundable $1,000 that you paid earlier will be applied toward your total estimated summer quarter costs.

For instructions to pay the $3,500 deposit with a credit card, please refer to the email sent on March 23, 2015.

FIRST YEAR STUDENT DOCTORAL KIT
The estimated kit cost of $11,677 will be divided into four installments of $2,919.25 each. The first installment is due and payable on Matriculation Day, Friday, July 10th. The remaining three installments will be due on the first day of each quarter (October 5th, January 4th and March 28th).

If you are applying for financial aid, your kit payment may be deferred to the date your total financial aid loan funds are received. To qualify for this deferment, you must complete the Kit Payment Agreement form and return it to the IDS Office no later than Monday, April 20, 2015. Your request for deferred payment must be certified by the Financial Aid Office.

Please understand that your kit will not be issued to you if you do not have an approved Kit Payment Agreement.

FINANCIAL AID
In late April, the Financial Aid Office will send an email with your award notification that will provide the amount of financial aid for which you are eligible and loan application information. You will be directed to InsidePacific to view and accept financial aid awards. It is your responsibility to apply for financial aid in a timely manner to ensure early disbursement of funds.
