The Patients **Electronic Health Records** (EHR) includes information such as patients’ medical history, pharmacy, pre-existing conditions, laboratory tests, X-Rays, and other medical details.

The **In Progress** tab of the HER displays procedures that are planned and/or yet to be completed by the provider.

**Upper Tool Bars on this window:**

- `Clear Data`
- `Create New Record (Chart)`
- `Print Report`
- `Patient Exposures`
- `Add a New Note`
- `View History (Chart)`
- `Options & Settings`
Lower Tool Bars on this window:

- Create New Record (Treatment)
- Add a New Note (General Note)
- Edit Record
- Delete Record
- Start Check
- Display Estimate (Cost)
- Add Patient Consent
- Options & Settings

Sub-Menu (Right-Click)
