About this Manual

This axiUm Reference Manual will help you start using axiUm. It shows you how to:

• Follow document conventions.
• Familiarize yourself with the Evaluations module windows.
• Use the fields and options in various Evaluations module windows.

The examples in the axiUm Reference Manual show system-required field entries and may not reflect field entries typical of your institution. Check with your institution for a list of fields required to be completed before saving the current window. axiUm will not let you save your entries until all system-required entries are completed. If you try saving a window with incomplete system-required fields, a message box displays. When you close the message box, the cursor will be placed on the first system-required field that you missed. Once all system-required fields are entered, you can save and close the window.

Also note that default displays, tabs in windows, and other screen elements shown in the axiUm Reference Manual may look different from your axiUm setup.

Document Conventions

This manual uses the following styles to identify the different interface elements:

<table>
<thead>
<tr>
<th><strong>Bold</strong></th>
<th>Names of interface elements such as buttons, check boxes, list boxes, list views, menu names, menu choices, options, tabs, and text boxes.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Italics</strong></td>
<td>Indicates when a special term is used for the first time, and to emphasize key words or terms.</td>
</tr>
<tr>
<td><strong>Monospace</strong></td>
<td>Data entered by the user.</td>
</tr>
</tbody>
</table>
Document Icons

This guide also uses the following icons to identify the different document elements:

- **Notes and helpful information.** For example, things that will become apparent later on in the procedure.

- **Important information or steps you must take.** For example, if you do not complete this step you may be unable to complete a task later on.

- **Tips, ideas, and alternative methods.** For example, using shortcuts, applying previously learned tools, or suggesting different uses.

- **Warnings before taking action.** For example, precautions against irreversible actions, or actions that require a lot of work to undo.
This chapter defines all the interactive screen elements in the Evaluations module, such as:

- fields
- drop-down fields
- check boxes
- options
- list boxes
- list views

All the screen names that appear in the Evaluations module are listed in alphabetical order. Screens that are accessible through the Evaluations module may belong under a different module and are not shown in this document. For these field definitions, refer to another axiUm Reference Manual.

1 Add/Edit Evaluation Window

You can access this window by going to the Evaluations window and clicking the Add button, the Edit button, or the Resume button. For information on the Evaluations window, see Evaluations Window on page 7.

Use this window to add a new evaluation, edit an existing evaluation, or resume a held evaluation.
**ADD/EDIT EVALUATION WINDOW**

**Provider**
This field indicates the ID of the provider you are evaluating.

Clicking (ellipsis) opens the Providers List window to select from. Only the names of students requiring evaluations are listed. In other words, for a user’s record, the Users window’s Provider tab’s Clinical section has the Grade drop-down field displaying the Sessional option or the Periodic option. For information on the Grade drop-down field, refer to the axiUm Reference Manual for Maintenance and see Clinical Section on page 550.

**Discipline**
This drop-down field indicates the discipline of treatment being graded.

The options in this drop-down field are defined in the Treatment Disciplines window. For information on the Treatment Disciplines window, refer to the axiUm Reference Manual for Maintenance and see Treatment Disciplines Window on page 90.

**Form**
This drop-down field indicates the evaluation form used for grading the selected student.

The options in this drop-down field are defined in the Grading Forms window. For information on the Grading Forms window, refer to the axiUm Reference Manual for Maintenance and see Grading Forms Window on page 257.
**Add/Edit Evaluation Window**

### Period
This drop-down field is shown if the Evaluations Setup window has the *Track time utilization* checkbox selected. For information on the Evaluations Setup window, see *Evaluations Setup Window* on page 14.

This drop-down field indicates the clinical session number, and displays the following options:

- **1**: This option, if selected, indicates a morning session.
- **2**: This option, if selected, indicates an afternoon session.
- **3**: This option, if selected, indicates an evening session.

### Date
This field indicates the date this evaluation was conducted and defaults to today’s date. This date can be changed.

For example, if an instructor conducted an evaluation on paper, and later gave a clerical staff the hardcopy for entering the grades into axiUm, the clerical staff can select either the date the evaluations were conducted, or the date they were entered into axiUm.

### Show Exam Forms
This checkbox is hidden if you access this window from the EHR module’s *Tx History* tab’s *Add Student Eval* right-click option. For information on the EHR module’s *Tx History* tab, refer to the axiUm Reference Manual for EHR and see *Tx History Tab* on page 51.

Selecting this checkbox disables the *Competency* checkbox and refreshes the list view to display only those evaluations created for exams. These evaluations are those displayed in the Grading Forms window with the *Is Exam* checkbox selected. For information on the Grading Forms window, refer to the axiUm Reference Manual for Maintenance and see *Grading Forms Window* on page 257.

### Competency
This checkbox is enabled if the *Show Exam Forms* checkbox is deselected.

This checkbox, if selected, indicates that this evaluation is to be done as part of a competency exam.

### Show Audit
This right-click option is shown if you are viewing this window in edit mode.

Selecting this right-click option displays the Evaluation Audit window. For information on the Evaluation Audit window, see *Evaluation Audit Window* on page 5.

### Evaluator
This section indicates the type of user evaluating, and displays the following options:

- **Instructor**: This option, if selected, indicates that you are an instructor. Selecting this option enables the *Instructor* field.

- **Provider**: This option, if selected, indicates that you are a provider.

### Instructor
This field is enabled if the Evaluator section has the *Instructor* option selected.

Selecting this option enables the Held For checkbox.

If you are an instructor, this field displays your name. You can select a different instructor.

Clicking (ellipsis) opens the Instructor List window to select from. For information on the Instructor List window, refer to the axiUm Reference Manual for Maintenance and see *Instructor List Window* on page 41.
**ADD/EDIT EVALUATION WINDOW**

<table>
<thead>
<tr>
<th>Field</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Held For</strong></td>
<td>This checkbox is enabled if the Instructor option is selected. This checkbox, if selected, indicates to hold this evaluation for another instructor to complete later. Selecting this checkbox enables the field. The field indicates the name of the instructor this evaluation is held for. Clicking (ellipsis) opens the Instructor List window to select from. For information on the Instructor List window, refer to the axiUm Reference Manual for Maintenance and see Instructor List Window on page 41. Clicking X (delete) removes the currently selected instructor name from the field.</td>
</tr>
<tr>
<td><strong>Add another evaluation</strong></td>
<td>This checkbox, if selected, displays another evaluation form when you click the OK button.</td>
</tr>
<tr>
<td><strong>Same Instructor</strong></td>
<td>This option is displayed if the Add another evaluation checkbox is selected. This option, if selected, indicates to retain the current instructor.</td>
</tr>
<tr>
<td><strong>New Instructor</strong></td>
<td>This option is displayed if the Add another evaluation checkbox is selected. This option, if selected, indicates to change the instructor on the next evaluation form. When you click the OK button, axiUm displays the User Authentication window to identify the next instructor, and once they also complete the evaluation form, that instructor can approve it.</td>
</tr>
<tr>
<td><strong>Time (Hrs)</strong></td>
<td>This field indicates the length of time (in hours) that the selected provider spent performing the treatment you are evaluating.</td>
</tr>
<tr>
<td><strong>Total RVU</strong></td>
<td>This disable field is an axiUm-calculated RVU/CPV score given to students upon successful completion of a treatment, and is associated to the procedure performed. The RVU/CPV value for a procedure code is defined in the Procedure Code window’s Clinical Section’s RVU/CPV field. For information on the Procedure Code window’s Clinical section, refer to the axiUm Reference Manual for Maintenance and see Clinical Section on page 65.</td>
</tr>
<tr>
<td><strong>OK</strong></td>
<td>Clicking this button saves the entries and closes the Add/Edit Evaluation window.</td>
</tr>
<tr>
<td><strong>Cancel</strong></td>
<td>Clicking this button cancels any entries and closes the Add/Edit Evaluation window.</td>
</tr>
</tbody>
</table>
2 Evaluation Audit Window

You can access this window by:

- Going to the View Evaluation window and selecting the Show Audit right-click option. For information on the View Evaluation window, see View Evaluation Window on page 20.
- Going to the Add/Edit Evaluation window (in edit mode) and clicking selecting the Show Audit right-click option. For information on the Add/Edit Evaluation window, see Add/Edit Evaluation Window on page 1.

Use this window to view the original grade entered for the selected evaluation question.

**EVALUATION AUDIT WINDOW**

<table>
<thead>
<tr>
<th>Field</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date</td>
<td>This disabled field indicates the date this evaluation form was added to the selected provider's record.</td>
</tr>
<tr>
<td>User</td>
<td>This disabled field indicates the name of the instructor who is evaluating the selected provider.</td>
</tr>
<tr>
<td>Question</td>
<td>This first disabled field indicates the question selected to view. The second disabled field indicates the grade given for the evaluation question displayed in the first disabled field.</td>
</tr>
<tr>
<td>Close</td>
<td>Clicking this button closes the Evaluation Audit window.</td>
</tr>
</tbody>
</table>

3 Evaluation Comments Window

You can access this window by going to the Add/Edit Evaluation window, selecting a question of type Comment, and double-clicking on it.

Use this window to enter general comments. These are general comments and are not specific to any particular question or grade.
4 Evaluation Comments for a specific grade Window

You can access this window by going to the View Evaluation window and double-clicking on a question.

Use this window to add comments regarding a specific grade given for a specific evaluation question.
Evaluations Window

**EVALUATION COMMENTS FOR A SPECIFIC GRADE WINDOW**

<table>
<thead>
<tr>
<th>Field</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Date</td>
<td>This disabled field indicates the date this evaluation form was added to the selected provider.</td>
</tr>
<tr>
<td>Instructor</td>
<td>This disabled field indicates the name of the instructor who is evaluating the selected provider.</td>

<td>Clicking this button cancels your entry and closes the <em>Evaluation Comments for a specific grade</em> window.</td>
</tr>
</tbody>
</table>

5 Evaluations Window

This is the main Evaluations module window.

You can access this window by:

- Clicking  (Evaluations) from the axiUm main screen icons.
- Clicking the Patient Attachment option from the Actions menu.

- Clicking  (Evaluations) from the Desktop.

Use this window for all student assessments.
**EVALUATIONS WINDOW**

**Provider**

This field indicates the provider for the search criteria.

If you are a student, axiUm automatically displays your provider ID.

Clicking (ellipsis) opens the Providers List window to select from. Only the names of students requiring evaluations are listed. In other words, for a user’s record, the Users window's Provider tab’s Clinical section has the Grade drop-down field displaying the Sessional option or the Periodic option. For information on the Grade drop-down field, refer to the axiUm Reference Manual for Maintenance and see Clinical Section on page 550.

**Instructor**

This field is enabled in the following tabs: Evaluations tab, Grades tab, Periodic Evals tab, Unevaluated Tx tab.

This field indicates the instructor for the search criteria. This is the name of the instructor who evaluated the student displayed in the Provider field. If you are an instructor, axiUm automatically displays your provider ID in this field.

Clicking (ellipsis) opens the Instructor List window to select from. For information on the Instructor List window, refer to the axiUm Reference Manual for Maintenance and see Instructor List Window on page 41.

Clicking (delete) removes the currently selected instructor name from the field.
## Evaluations Window

<table>
<thead>
<tr>
<th>Field</th>
<th>Description</th>
<th>Details</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Approved</strong></td>
<td>This field is displayed in the Periodic Evals tab.</td>
<td>This field indicates that students are awaiting evaluation from this approval instructor. axiUm filters the search based on this instructor who has outstanding evaluations to approve. Clicking  (ellipsis) opens the Instructor List window to select from. For information on the Instructor List window, refer to the axiUm Reference Manual for Maintenance and see Instructor List Window on page 41. Clicking  (delete) removes the currently selected instructor name from the field.</td>
</tr>
<tr>
<td><strong>Discipline</strong></td>
<td>This drop-down field is enabled in the following tabs: Evaluations tab, Grades tab.</td>
<td>This drop-down field indicates the discipline for the search criteria. axiUm filters the search based on this discipline. The options in this drop-down field are defined in the Treatment Disciplines window. For information on the Treatment Disciplines window, refer to the axiUm Reference Manual for Maintenance and see Treatment Disciplines Window on page 90.</td>
</tr>
<tr>
<td><strong>Type</strong></td>
<td>This field is enabled in the following tabs: Evaluations tab, Grades tab. This field indicates the evaluation type for the search criteria. Clicking  (ellipsis) opens the Grading Types To Show window. For information on the Grading Types To Show window, see Grading Types To Show Window on page 15.</td>
<td></td>
</tr>
<tr>
<td><strong>Date From</strong></td>
<td>This field indicates the starting date range for the search criteria. In the Evaluations tab and the Grades tab, this is the date the evaluation was performed. In the Period Evals tab, this is the date of instructor-student contact. In the Unevaluated Tx tab and the Unapproved Tx tab, this is the treatment date.</td>
<td></td>
</tr>
<tr>
<td><strong>Date To</strong></td>
<td>This field indicates the ending date range for the search criteria. In the Evaluations tab and the Grades tab, this is the date the evaluation was performed. In the Period Evals tab, this is the date of instructor-student contact. In the Unevaluated Tx tab and the Unapproved Tx tab, this is the treatment date.</td>
<td></td>
</tr>
<tr>
<td><strong>Form</strong></td>
<td>This drop-down field is enabled in the following tabs: Evaluations tab, Grades tab. This drop-down field indicates the evaluation form for the search criteria. axiUm filters the search based on a specific type of grading form. The options in this drop-down field are defined in the Grading Forms window. For information on the Grading Forms window, refer to the axiUm Reference Manual for Maintenance and see Grading Forms Window on page 257.</td>
<td></td>
</tr>
<tr>
<td><strong>Grade</strong></td>
<td>This field is available and enabled in the following tabs: Evaluations tab, Grades tab. This field is available but disabled in the following tabs: Unevaluated Tx tab, Unapproved Tx tab. This field indicates a grade for the search criteria. axiUm filters the search based on a specific grade entered in the evaluation form.</td>
<td></td>
</tr>
</tbody>
</table>
## Evaluations Window

**Contacts**
This field is available in the Periodic Evals tab.

This field indicates the number of instructor-student contacts that were made over the course of an evaluation. axiUm searches for records that meet or surpass this number.

**Search**
Clicking this button begins the search process.

**Add**
This field is enabled in the following tabs: Evaluations tab, Grades tab, Periodic Evals tab, Unevaluated Tx tab.

Clicking this button from the Evaluations tab, Grades tab, or the Unevaluated Tx tab displays the Add/Edit Evaluation window to edit the selected evaluations record. For information on the Add/Edit Evaluation window, see Add/Edit Evaluation Window on page 1.

Clicking this button from the Periodic Evals tab displays the Periodic Evaluation Window. For information on the Periodic Evaluation window, see Periodic Evaluation Window on page 16.

**Edit**
This button is enabled in the following tabs: Evaluations tab, Grades tab.

Clicking this button displays the Add/Edit Evaluation window to edit the selected evaluations record. For information on the Add/Edit Evaluation window, see Add/Edit Evaluation Window on page 1.

**View**
This button is enabled in the following tabs: Evaluations tab, Grades tab.

Clicking this button displays the View Evaluation window. For information on the View Evaluation window, see View Evaluation Window on page 20.

**Print**
Clicking this button prints the records in the list view to the default printer.

**Resume**
Clicking this button displays the Add/Edit Evaluation window to edit the selected evaluations record. For information on the Add/Edit Evaluation window, see Add/Edit Evaluation Window on page 1.

**Delete**
This button is enabled in the Evaluations tab.

Clicking this button deletes the selected record from the list view.

**Setup**
Clicking this button displays the Evaluations Setup window. For information on the Evaluations Setup window, see Evaluations Setup Window on page 14.

**Special Assessment**
This checkbox is enabled in the Periodic Evals tab.

Special assessment refers to a periodic evaluation under special circumstances. This checkbox, if selected, lets the instructor grade the student without removing the student's name from the list of students requiring a periodic grade.

**Tx Specific Only**
This checkbox enabled in the Grades tab.

This checkbox, if selected, restricts the search to those grades given to specific treatments rather than general student performance.

**Show Deleted Items**
This checkbox is enabled in the following tabs: Evaluations tab, Grades tab.

This checkbox, if selected, includes deleted evaluation records in the search. Deleted records are displayed in the list view in gray text.
**Evaluations Window**

**Show**  
This drop-down field indicates the different types of evaluations and their status, and displays the following options:

- **Instructor (Complete):** This option, if selected, indicates to lists evaluations that are completed by an instructor.
- **Instructor (Held):** This option, if selected, indicates to lists evaluations that are held for the specified instructor. Selecting this option enables the Held For field.
- **Instructor (All):** This option, if selected, indicates to lists evaluations that are both complete and held.
- **Self Evaluations:** This option, if selected, indicates to lists evaluations that students entered themselves. axiUm searches for all instructors associated to self-evaluations, regardless of what is displayed in the Instructor field.

**Held For**  
This checkbox is enabled if the Show drop-down field displays the Instructor (Held) option.

If you are an instructor, this field defaults to your name.

Clicking (ellipsis) opens the Instructor List window to select from.

Clicking (delete) removes the currently selected instructor name from the field.

---

### 5.1 Evaluations Window - Evaluations Tab

This tab is used to search for, review, and edit existing evaluations.

---

### 5.2 Evaluations Window - Grades Tab

This tab lists existing sessional evaluations and self-evaluations.
5.3 Evaluations Window - Periodic Evals Tab

This tab lists existing period evaluations only.

5.4 Evaluations Window - Unevaluated Tx Tab

This tab displays unevaluated treatments. Instructors can find approved treatments that require an evaluation. Clerical staff can enter an instructor’s completed hardcopy evaluation into axiUm.
Evaluations Window - Unapproved Tx Tab

All treatment that has been entered but not approved will be listed here.

Select Patient
This right-click option, if selected, selects or changes the current patient to the one associated to the item you highlighted. When this patient is selected, they are displayed in the taskbar.

Patient Approvals
This right-click option, if selected, opens the Patient Approvals window.
Evaluations Setup Window

You can access this window by going to the Evaluations window and clicking the Setup button. For information on the Evaluations window, see Evaluations Window on page 7.

Use this window to set up the behavior of the Evaluations module.

<table>
<thead>
<tr>
<th>Feature</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Automatic Approval</td>
<td>This right-click option, if selected, approves the treatment using the default options. Once approved, axiUm removes the record from the list view.</td>
</tr>
<tr>
<td>Track time utilization</td>
<td>This checkbox, if selected, indicates to track clinical sessions. Selecting this checkbox displays the Period drop-down field in the Add/Edit Evaluations window. For information on the Add/Edit Evaluations window, see Add/Edit Evaluation Window on page 1.</td>
</tr>
<tr>
<td>Auto capitalize grading answers</td>
<td>This checkbox, if selected, displays all characters you enter in evaluation forms using upper case, even if you turn off the CAPS LOCK key on your keyboard. This checkbox, if deselected, displays all characters as set on your keyboard.</td>
</tr>
<tr>
<td>Do not ask to print grade card</td>
<td>This checkbox, if selected, indicates that when you complete an evaluation, axiUm hides the Print Grade Question window and does not ask if you want to print the grade card. This checkbox, if deselected, indicates that axiUm displays the Print Grade Question window each time you complete an evaluation.</td>
</tr>
<tr>
<td>Use approval user’s security settings</td>
<td>This checkbox, if selected, indicates to use the current user's security settings. This checkbox, if deselected, indicates that axiUm uses the instructor's settings for the treatment. This is often used if the workstation is used by staff to later enter grades for students in the Unevaluated Tx tab on the instructor's behalf.</td>
</tr>
</tbody>
</table>
**Evaluations Setup Window**

<table>
<thead>
<tr>
<th>Optionally evaluate on Patient Approvals</th>
<th>This checkbox, if selected, displays the Enter Evaluation checkbox on the Patient Approvals window. This checkbox, if deselected, indicates that axiUm hides the Enter Evaluation checkbox on the Patient Approvals window. For information on the Patient Approvals window, refer to the axiUm Reference Manual for Rolodex &amp; Patient Card and see Patient Approvals Window on page 56. This checkbox only affects periodic grading. When you approve a treatment performed by a provider who requires sessional grading, axiUm always displays the Add/Edit Evaluation window after the approval process.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Re-display Patient Approvals after Evaluations if unapproved items remain</td>
<td>This checkbox, if selected, indicates to re-display the Patient Approvals window after treatment has been approved, grading is completed, and there are other remaining items to be approved. For information on the Patient Approvals window, refer to the axiUm Reference Manual for Rolodex &amp; Patient Card and see Patient Approvals Window on page 59.</td>

</table>

9 Select Evaluation to View Window

You can access this window by going to the Add/Edit Evaluation window and clicking the View Other button. For information on the Add/Edit Evaluation window, see Add/Edit Evaluation Window on page 1.

Use this window to search and view grades from previous evaluations (periodic or sessional) that the selected student has on record.
**SELECT EVALUATION TO VIEW WINDOW**

**Selection Criteria**
This section indicates the criteria for the search, and displays the following options:

- **Current instructor**: This option, if selected, searches for the currently logged on instructor.
- **All instructors**: This option, if selected, searches all instructors that meet the search criteria.
- **Self Evaluations**: This option, if selected, searches only self-evaluation forms regardless of the instructor associated to it.

**Current patient**
This option is enabled if the **All treatments** option is selected.

This option, if selected, indicates to search evaluation records for this provider that is associated to the currently selected patient.

**All patients**
This option is enabled if the **All treatments** option is selected.

This option, if selected, indicates to search evaluation records for this provider that is associated to all patients.
### Select Evaluation to View Window

<table>
<thead>
<tr>
